

1 THE CHAIRMAN: The Chair now recognizes Delegate
2 Boyce to present the Minority Report Number EB-1.

3 DELEGATE BOYCE: About going to the Minority
4 Report, I would not like to usurp the power of the Enter-
5 tainment Committee Chairman, but I would like to point out
6 a few traditional eyes and liberal eyes got together in the
7 Statler Hilton on the top floor last night. I don't own any
8 stock in it. The man that paid the bill just got in here.
9 I guess none of us are going to jail.

10 I would like to try to explain the reason that
11 you have to have a combination of amendments here. We did
12 this every way we could in Committee, to try and see if we
13 couldn't do two things: Give the Governor of this State the
14 power to reorganize, without having to wait for the two-year
15 period in the temporary provision that you find in your blue
16 sheets just following Section 4.18.

17 We wanted to make sure that the Governor, who is
18 on a full-time basis, as opposed to the legislature, could
19 go ahead concurrently. I think this is possible. I think
20 it has been done in other states, and the Task Force that
21 Dr. Spencer testified before our Committee is already
